# TWO BREEDS ONE STANDARD

BULL & COMMERCIAL FEMALE SALE

**NOVEMBER 22, 2025 • NOON 12 CST**  
MCGUFFEE HEREFORDS SALE FACILITY • NEW HEBRON, MS

*Dear fellow Cattlemen.*

What a great time to be in the cattle business! In 2024, McGuffee Herefords hosted our inaugural female and bull production sale and the market acceptance was phenomenal. We thank you for all those who attended and bought and appreciate all the positive feedback we have received.

We are excited to invite you this year to join us at McGuffee Herefords, November 22, 2025, at 12 noon for the Two Breeds, One Standard, Bull and Commercial Female Sale. We are honored to have Ponderosa Farm as a special guest for this sale. They bring a great selection of Angus bulls and commercial females to our offering.

We at McGuffee Herefords are very happy with our selection of bulls this year. We are offering 32 virgin Hereford bulls ranging from 20 to 24 months old, and 10 yearling bulls that are 12 months old. Our commercial heifer offerings have all been raised on our place with some of the top genetics in the industry. These heifers are all bred to low birth rate Angus bulls. We believe these heifers will help any program excel to the next level.

We look forward to seeing you at the McGuffee Sale Facility in New Hebron, Mississippi, for a great selection of Angus and Hereford bulls and commercial Heifers.

Feel free to join us Friday afternoon at the farm for a preview of the sale offering. Gumbo will be served around 5:00 p.m.

Hope to see you there!
